First and foremost I send my regards to you and your family. I hope all is well with you and your family & pray. Mr. Sullivan on my mother and both grandmothers grave. I'm shot straight with you, because I have changed and for the better and I know in my heart you understand, you are human just like me. And I know you are smart and can see Bullshit a mile away, you are from New York the Mecca of the world. I went to jail for 2 reasons. 1 in my head what Mr. Freeman was telling me at that time I was going to get 40 to 50 years if I plea, I'm not going to lie I ain't no dummy but I have to admit I'm not the sharpest tool in the draw but I have a heart of gold. I want the best for people and I love every species, animal bugs even a Roach I don't kill nothing. I use to push bugs and Roaches under the door of my house since my mother told me, 8 years old. I use to hate when my family use to step on them, "Hate it". And second, I'm not an angel but I never sold guns or robbed Nobody ever in my life or hit with a gun or took somebody's property, B96 Dog from

the Beginning I know you felt something was funny
with my case. When I was at trial And me and
Kirk Bent were in the Holding cage you remember
he said to me Im sorry it had to get to this
and I am sorry I lied on you and to not worry
that when he get home he was going to get me
home that was the truth my lawyer told you that
day. Big Dog the procurator know he was lying about
some stuff they should of have punish him for
it, and I can prove it I still have the paper
work today. thats why I of the Robbers got
throw out, I was saying it was a lie from the
beginning But Nobody would listen, Please Big Dog
hear me out. The first Informant In my case
Winston Regis said I went to A print shop And
Rob it or Attempted to rob it we went to Mount
Vernon me him and Kirk Bent in 2 Vehicles.
and photoed me and Kirk Bent out in a picture.
And Mega said I participated, And the procurator
dismissed it. And you asked why And procurator said
C-W-1 ~~Re~~ Winston Regis Believe I was Involved in the
Robbery Because I give a gun for the Robbery. And
then procurator said he later heard from Kirk bent
Although I provided the gun I didnt know the Robbery was
gonna happen, thats why they didnt go on with the case
And procurator said Winston Regis 3500 material is consistent
with Kirk Bent And procurator said they dont want to put
Winston Regis on the stand Because they are scared he is
going to lie about himself on stand Not about what
happen. But Winston Regis said I went to the Robbery
and participated in it. And Mega said I participated, I
was saying from the Beginning they were lying But

NoBody would listen to me, but I understand my mistakes happen. And then the Fort Independence Robbery Winston Regis said it was 7 people and then at trial Kirk Bent said 4 people and then in the P.S.R. Winston Regis said it was 2 cars and then ~~me~~ ~~said~~ Kirk Bent said 1 car. I understand the past is the past but all I ask is to put yourself in my shoes and ~~and a guy~~ you got 27 years for some of the lies a guy said if it was all true I would not complain because if you make your bed you have to lie in it. And now I am going throw Hell in here because I like Trump. Some of the tickets I have in the B.O.P was because I had to go to the S.H.U because my life was threatened, so I got in trouble on purpose, it is hard in here if your not in a gang you have no help so I had to do what I did to protect myself. It is so hard in here. Mr. Sullivan and Mr. Christopher J. DiMase all I ask for is a second chance at life, do you not think I deserve that? Is that too much to ask for in my case NoBody has died and I watch people who kill get a second chance. Please that is all I ask 27 years is too much for me, I promise you Mr DiMase and Mr Sullivan I have changed for the better, all I ask is to please roll the dice with me, I promise I'll make you proud. You will not regret me. Please just be human and not look at me like paper work. If it was the other way around and you changed would you think you deserve another chance. please Have mercy on me And I'm sorry this isst live paper. They did not have any for the past 3 weeks. Please Big Dog Mr. Sullivan and Mr. DiMase dont ever think I dont appreciate the 60 years to 27 years. Please Big Dog all I ask is to pick a Brother up and stop Beating me down I send my love to you'll.

Thank U Randy Washington

P.S. - Mr. Dimase it's been 10 years show me some love Big Dog, let me be that 1 exception out of the millions. I appreciate you Big Dog. And Mr. Sullivan I appreciate you and that's from my heart, love you like a fat kid loves cake. It took me from then to now understand freedom is beautiful and to be a working man in society for the good.

P.S. - 2 - During the plea negotiations, I really didn't understand with Mr. Freeman. I swear on my life I didn't and my mother and both grandmothers I did not understand it really, But I understand it now and I would of plea guilty. Please can I have my 10 year plea back I Beg you mercy I will show you Mr. Dimase and Mr Sullivan I changed All I ask for is a shot is that to much to ask for? I just did 10 years straight. 10 years I'll never get back with my family please have mercy on me.
